Proactive Maintenance

- By choosing Entraway to Service and maintain your door automation products you can be confident that your doors are safe and fully operational.
- Our qualified service technicians inspect, test, repair and calibrate the doors to make sure that they are in good working order for longer.
- You will receive ongoing reports during your service as to what is being done via e-mail.
- If you subscribe you will avoid major costly repairs, and if you require a repair you will receive discounts on our parts as well as our labour.
- You will qualify to receive a faster response for your callout.
- Entraway will automatically schedule regular visits to your premises in order to check the automatic doors, during these visits we will not only check your equipment but will report back to you the status and suggestions as well as keep a full history of the checks and work done.
- By signing up with us you are not held within a contract and you are able to cancel your subscription at any time you require.
